

I beleive I have the right to Choose What I listen to .I pay for this service because if its ability to provide me with music, info and what I choose anywher I travel.

This is why I subscribed so I wasnt chasing radiostations with music I wanted as I travelled.

When I got This XM Radio I listened to the Same Station From YUMA ,AZ To Salem ,OR with no interruption.

Please Consider Our Choice to choose.

Thank you for lsitening.
